FSS SPOTLIGHT

SrA Edwin Lozada

Postal Clerk

Post Office

What is your favorite part about working at the Post Office?

I enjoy seeing the smiles on people faces when they receive a package from a loved one. Many young Airman who haven't experienced being away from family often are down, so seeing how much one package can change the trajectory of their day makes coming in worthwhile.

What do you wish the Kunsan community knew about your programs?

We have a volunteer program at the Post Office where people come in at 0500 on Mondays – Fridays and 0600 on Saturdays. This is a great opportunity to get a bullet for volunteering, certificate of appreciation, and a way to network with other people around the base. As of right now we have our holiday volunteer program up and running and this is a way to get a fast pass to hop in the front of the line to pick up your holiday packages.

What is your best memory at the Post Office?

My best memorable moment was working through a typhoon. Working through the wind and rain was unmatched, but I still kept a positive attitude and continued to provide great customer service.
