CHECK OUT OUR NEW FSS COUPONS! (PAGE 47-50)

Dear Wolf Pack,
I am Eagle 36, Colonel Oh, Choong-Won.

It has been a year since I assumed the role of Eagle in last December, and now the time has come to say our goodbyes.

The year 2010, was when I first came to Kunsan. And all the memories I made here with the Wolf Pack are still vivid. Yes, the past 13 years, feels like yesterday. I was here when we had the very first Elephant Walk in ROKAF history, I was also here when our KF-16 participated Red Flag Alaska for the first time with Panton. This Kunsan airbase really is my second home, Because there are no any other places in Korea like Kunsan that I ran, tumbled, sweated together with my fellow Wolf Pack.

While I may no longer serve as a military member of Kunsan Airbase, however, the friendship and brotherhood with all of you will remain fresh and forever, deep down in my heart. Even far away, I will remember and wish all the best for every single one of you. Please continue to enhance the unity and unwavering friendship that makes Kunsan the vanguard of the ROK-US alliance.

May God bless 8th Fighter Wing, Wolf Pack and all of you.
Take the Fight North! Go Wolf Pack!

Postal Clerk
Post Office

What is your favorite part about working at the Post Office?

My favorite part about working at the Post Office is Customer Service. Working in customer service gives us an opportunity to assist those who have questions, concerns, and to provide for their needs. Not only does it benefit the customer, but also benefits us by leading to improved knowledge of our job as a Postal Clerk when not knowing solutions to certain situations. Customer Service is also a good way for networking by building connections outside of our career field.

What do you wish the Kunsan community knew about your programs?

One thing I wish the Kunsan community knew about our program is that we are open for volunteers. As the holidays are approaching, there has been an increase number of packages and mail flowing through our unit. We understand the importance of receiving packages on time, so having volunteers who can help with organizing, loading, unloading and processing mail makes a huge difference. For more information about getting involved with postal volunteer opportunities, call DSN: 782-5514.

What is your best memory at Kunsan?

My best memory while at Kunsan is Flight PT. This PT Day didn't involve a group workout, but a fun and challenging sport we played as a flight. This sport is called Wallyball; it is similar to volleyball, but played on a racquet court. After my arrival to Kunsan, playing this sport with my flight was my first experience of joy and laughter in Kunsan, which is what I cherish most.

ATTENTION POSTAL PATRONS

Mail Retention & Hold Policies:

The Post Office has a mail retention policy of 15 days for packages. Automated notices are delivered to the email address you have placed on file. A first notice is the day package arrives; second notice five days after arrival; and final notice ten days after arrival. Members who are going on leave or TDY for more than 7 days need to come to the post office before they leave and fill out a DD Form 2258, "Temporary Disposition of Mail". The DD Form 2258 will put a hold on the member's mailbox so that the post office won't RTS any mail processed within this time period.

Shipping via IDS/MPS (APO to APO):

While IDS is available to provide a postage-free delivery of correspondence & parcels, this service is prohibited for transport of personal property in connection with PSC/TDY moves, with the exception of uniforms and personal gear required to perform official duties at the next duty station.

Menu items are subject to change.
