Cultural Bus Schedule to
Eunpa Lake Park

Eunpa Lake Park

(15-min drive from base)

Address: 9 Eunpasunhwan-gil,
Naun-dong, Gunsan

Eunpa Lake Park is full of natural beauty. The road that runs up from the park entrance is lined with cherry trees that create a breathtaking tunnel of pink flowers each spring. This stunning cherry blossom tunnel draws crowds of families and couples each year, particularly on the weekends. Mulbit Bridge, a landmark of the Eunpa tourist site, offers an impressive view of the Music Fountain and nightscape. At the park, you'll also find an inline skating area, a waterfront stage, and a lotus flower garden.

Wolmyeong Park

(20-min drive from base)

Address: 48 Wolmyeonggongwon
1-gil, Haemang-dong, Gunsan

Wolmyeong Park is a popular tourist destination in Gunsan and connects five mountains in the vicinity. The park has 7.5 miles of walking trails, as well as an observatory, sculpture park, and various monuments. From Susi Tower, which resembles a flame or wind-blown sail, people can see all of downtown Gunsan, the sea to the south of Gunsan, the mouth of the Geumgang River, and the large Janghang smelting factory. The park has well-arranged gardens and 30-year old rattan and cherry trees.

Have a wonderful Korean cherry blossom experience!

FSS SPOTLIGHT

Apr 2024

SrA Bernard Freeman

Technician, Personnel Systems Management/Retentions
Military Personnel Flight

What is your favorite part about working at the MPF?

Being able to be a Personnel Systems Manager. It's not a position a lot of people have heard about or will ever hear about in their career. I enjoy seeing how each program from different sections affect one another. It's learning every different section in the MPF, but never truly mastering one section. As the motto goes, "Jack of All Trades, Master of None."

What do you wish the Kunsan community knew about your programs?

It takes a lot of work and focus for each individual program in the MPF to run smoothly. It seems like we aren't doing much, but we go through each problem and case given to us with careful consideration and understanding the members' needs. We do have to go through a lot of different AFIs for each circumstance so please bear with us and understand we are human too.

What is your best memory at Kunsan?

The best memory I had so far of Kunsan was on the second week of December when I first got here. It was snowing in the middle of the night and I just couldn't sleep so I decided to step out to see how quiet and peaceful Kunsan can be. I ended up standing under one of the streetlights watching the snow fall. It brought back memories of when I was a kid and did the same thing. It felt like the whole world stopped and was about to be reset on a new slate where everything we did, didn't matter anymore.

**When preparing to mail out items,
exercise these safe practices:**

- Isolate, bag and seal liquids to prevent leaks & package damage
 - Wrap fragile items in bubble wrap
 - Leave as little space for movement within your package as possible; stuff with newspaper, packing paper or packing peanuts
 - Place extra customs forms or identification items inside your package.
- Weather and other factors may cause damage to the shipping label affixed to the package exterior.
- Verify that your package contains no prohibited items. If unsure, check out Kunsanfss.com/post-office, USPS.com, or talk with a postal clerk.

ATTENTION POSTAL PATRONS

Enforcement of Global Trade Compliance

A DETAILED DESCRIPTION is REQUIRED for all items listed on the Customs Declaration form. Customs clearance procedures have been strengthened by the US Postal Inspection Service and the Department of Homeland Security. Parcels with vague descriptions will be rejected and will not be cleared for mailing.

For example, instead of saying the package contains electronics, customers must specify what type of electronics (such as iPad). Using terminology like gift, household goods, medicine, merchandise, makeup, etc, is no longer authorized.

TOO VAGUE

Toiletries, Beauty Items, Makeup, Toys, Medicine, Electronics, Snacks, Clothing

DETAILED DESCRIPTIONS

Shampoo, Soap, Deodorant, Face Cream, Lipstick, Legos, Doll, Figurine, Multi-Vitamins, Aspirin, XBOX, TV, PC Monitor, Chips, Chocolates, Shirts, Pants, Socks, Shoes, etc.

36 Completing the Customs Declarations form correctly is the customer's responsibility.
